

July 2, 2020

Dear St. Paul Family,

In light of the rising COVID-19 numbers in Orange County and Bridge City-Orangefield, our church leadership and I have decided to delay our resumption of onsite Nursery and Children/Youth Sunday School. We feel it is prudent to do our part to keep everyone safe, well, and help our community to overcome this pandemic.

The Crossroads adult Sunday School class has begun meeting in person in the FAC with safe distancing and it will be able to continue to do so. Anyone is welcome to join them. Other adult classes who feel they can safely distance in person can still gather as they feel comfortable doing so.

Our new target date to fully resume our Nursery and Sunday School ministries is Sunday, August 2, 2020. We will continue to evaluate the situation and take guidance from the status of Bridge City ISD beginning the school year.

8:30 AM Traditional Worship will still resume this Sunday, July 5.

We are tentatively planning on still having our VBS/Back to School Bash on Saturday, August 1, 2020, and will share more information about that soon.

I pray you will all do your part to stay safe and help our community. If you need any assistance or special prayers, please contact me or the church office.

God Bless,

Pastor Mark Bunch
